The International Conference on Mathematical and Statistical physics, Computational science, Education and communication (ICMSCE 2024), 11-12 July 2024, İstanbul, Türkiye

Important Dates

Paper Submission Deadline	29 February
First Round Registration Deadline	15 March
Late Registration	30 April
Camera-ready Submission	31 May

Hosted and Sponsored by

İSTANBUL TOPKAPI ÜNİVERSİTESİ

Papers from ICMSCE **2024** will be accepted for publication in a special issue of a journal covered by Clarivate Analytics (Master Journal List - IP & Science – formerly Thomson Reuters)and/or Scopus, or included in the conference proceedings upon satisfactory peer-reviewed process.

The International Conference on Mathematical and Statistical physics, Computational science, Education and communication (ICMSCE 2024)'s aim is publishing refereed, original research studies and articles that are well-written and describe the latest developments and researches in the computer science and computational mathematics area. The conference is broad-based that covers all branches of computer engineering, mathematics and interdisciplinary researches. ICMSCE is a peer-reviewed conference. ICMSCE 2022 and ICMSCE 2023 proceedings have been published by SPIE and are now indexed by Scopus.

To support researchers with limited time and budget, virtual presentation option is also available for registration with lower costs. The latest information is available at the website of the conference.

For more information about ICMSCE event series and publication history you may refer to the website of the conference.

You may send by email to info@icmsce.net and at the same time submit your manuscript using the online submission system.
